Do not bind off. Cut yarn leaving several inches (appx 6-8) and pull through the remaining sts. Weave in the ends and enjoy! Bow directions are on the last page.

## **Bow**

### **Preemie-Newborn**

Cast on 15sts in contrasting color.

Knit 15 rows (creating a garter st pattern).

Bind off.

### **3-6mth - Adult**

Cast on 20sts in contrasting color.

Knit 20 rows (creating a garter st pattern).

Bind off.

To form the bow, cinch the bow in the middle and tie a knot in the back as shown in the photo. I like to wrap the yarn around several times to create the look in the photo next to the title. You can now either sew the bow directly onto the hat or attach it to a clip to make it removable.
