Cindy Lo Ear Warmer is a knitted take on a crochet favorite.

It has enough width to cover most of your head, but its open in the top for a big messy bun (like Cindy Lo Who's awesome hair).

Abbreviations and picture tutorials can be found at the end of the pattern.

BABY

Cast on 11sts with straight needles. I used long tail cast on because it leaves a defined edge to sew with.

Row 1 – [k1, p1] across to last st, k1

Row 2 – knit across

Repeat row 1 and 2 until your work measures appx 14insins (35cms) ending after completing a row 1.

Bind off. Leave a tail that is appx 10-12ins for sewing.

Sew your headband together by following the tutorial at the end of the pattern.

With circular of dpn starting on the opposite side of the headband from the sewn edge, with right side facing out, pick up and knit 2sts for every 3 rows. Make sure to end with an even number of stitches on your needles. Join in the round.

Work in a k1, p1 ribbing for 1in (2.5cms).

Bind off using your favorite stretchy bind off. I love a sewn bind off for a nice, finished edge.
