Ocean Bonnet is a classic styled bonnet with a ripple and picot edge.

I chose to use a soft wool blend yarn to make it a new-mom friendly bonnet.

Work in stockinette stitch until your work measures 4, 5.25, 6.25ins or 10, 13, 15.5cms from the picot row. End after completing a purl row. Place a marker on either end of this last row. This will be where your seam ends to form the crown.

Do not bind off. Cut yarn leaving appx 12ins and pull through remaining stitches. Using this end sew the crown together to your stitch markers. (I like to use the mattress stitch since it is nearly invisible). Sew your hemmed edge folding it on the picot row. I do a simple whip stitch here. This is a great video for this: <https://www.youtube.com/watch?v=SRIFVhfOKTU> Pick up 3sts along the front corner of your bonnet and work an i-cord for 12ins. Do the same on the opposite front corner. Weave in ends and block
